Invitation Letter

According to the public policy of the People's Republic of China “Active introduction of Foreign Experts and Talents”, the government of Linyi city (Shandong province, China) will establish database of foreign experts.

Our company Linyi Top Network Co., LTD as a leading company of Linyi City has the duty to contribute its own efforts for it. Therefore we have prepared this letter to invite you for collaboration.

If you are interested, please, provide your personal basic information, working experience, research area and results, which will be included into database.

Consequently the enterprises and companies of Linyi city could easily find needed experts through this database platform.

Our purpose is to set up two-way communication platform for employer and foreign experts which want to cooperate with China.
